CONTRACTOR # WA: PUMPTI*793PK

FROST ENGINEERING

a Division of

Serving the Pacific N.W.

ID: RCE-60243 - OR:238423

- *Boiler Level Gauges and Controls
- *Filtration Equipment

- *Tachometers
- *Speed Sensors

- *Pressure Regulators
- *I/P Transducers
- *Bubblers

- *Digital Pressure Gauges
- *Pressure & Temperature Calibration Systems

- *Pressure Measurement
- *Calibration Equipment

- *Flare Gas Ultrasonic Flowmeters

- *Industrial Lubrication Systems

- *Glass & Float Based Level Gage & Instrumentation

- *Temperature Elements
- *Sampling Systems
- *Level/Pressure/Temperature Switches & Transmitters

A PRODUCT OF CLARK-RELIANCE

- *Sight Flow Indicators & Windows & Eductors

- *Process Instrumentation
- *HART/FF Conditioning Modules

- *Self-Contained Control Valves
- *Safety Products

- *Steam Traps & Condensate Products

- *Globe and Rotary Process Control Valves
- *Ball & Butterfly Valves

- *Air Relief Valves
- *Pressure Control Valves
- *Level Control Valves
- *Surge Anticipation Valves
- *Bladder Surge Tanks

- *Pressure Regulators

- *Rotating Disc Valves for Solids and Abrasive Fluids

- *Globe and Rotary Process Control Valves
- *Pressure Regulators

Product Scope

Level Measurement

- * Bubbler Level systems
- * Capacitance Switches & Transmitters
- * Differential Pressure Transmitters
- * Displacer Level Transmitters
- * Float, Thermal, & Vibration Level Switches
- * Glass Boiler Gages & Controls
- * Glass Process Gages & Controls
- * Magnetic Level Gages & Transmitters
- * Radar & Ultrasonic Level Transmitters

Process Measurement

- * Coriolis Meters for Liquids & Gases
- * Electromagnetic Flowmeters for Liquids
- * Pressure & Temperature Switches
- * Pressure/Differential Pressure Transmitters
- * Pressure Gauges, Calibrators, & Recorders
- * Tachometers & Speed Sensors
- * Temperature Sensors, Transmitters, & Calibrators
- * Multipoint Thermocouple Systems
- * Flow Elements
- * Turbine Meters for Liquids, Gases, & Steam
- * Ultrasonic Flare Gas Flowmeters
- * Ultrasonic Flowmeters for Liquids
- * Weigh & Web Tension Systems

Control/Isolation/Regulator Valves

- * Isolation Ball/Buttery/Gate Valves
- * Isolation Bellows Seal Globe/Gate Valves
- * Globe, Ball, Eccentric Disc Control Valves
- * Severe Service Isolation/Control Valves
- * Self Contained Pressure/Temperature Regulators
- * 3-Way/4-Way Isolation Ball Valves
- * Lined Buttery/Ball/Plug/Diaphragm Valves
- * Pneumatic/Electric Valve Actuators & Accessories
- * Safety Ballcheck Valves

Intrinsic Safety, Signal Conditioners & Recorders

- * Intrinsic Safety
- * Industrial Security
- * 1/16, 1/8, & 1/4 DIN Process Recorders
- * Data Acquisition Systems
- * DC Signal Isolators & Transmitters
- * I/P & P/I Converters
- * PLC-Based Control Systems
- * Process Limit Alarms & Indicators
- * Strip/Graphic/Circular Chart Recorders
- * Process & Temperature Control
- * Gas Analysis

Lubrication, Pumps & Misc. Equipment

- * API Hydraulic Pump Systems
- * Industrial Lubrication Systems
- * Separation & Filtration Equipment
- * Sight Flow Indicators & Windows
- * In-Line/In-Tank Eductors
- * Steam Traps & Condensate Management Systems
- * Custom Designed Lubrication Systems
- * Custom Designed Sampling Systems
